—The frock with the accompanying jacquette blouse of all-over embroidery in a very dainty design of yellow and green on navy or henna Poiret twill, accompanied by a pleated skirt.

Delightful Frocks for Misses

- of Poiret Twill for business wear
- of lovely silks for afternoon wear
- of chiffon velvet for evening wear

VERY SPECIALLY PRICED TODAY

The Frocks for Street Wear

at 22.50

Their business-like air lies in the navy blue Poiret twill that fashions them, but their smartness is achieved in many interesting ways. The one pictured, for instance, takes several rows of scallops and metal cloth trimmings—others depend on braid, embroidery and skillful color combinations, and are equally charming.

The Frocks for Afternoon Wear

at 29.75

For afternoon wear, true, but sometimes so simple they may be worn for street wear, or more elaborate that one may attend informal dinners in them. Of Renee or Canton crepe, chiffon velvet and satin, trimmed in many an unusual fashion. In all the desirable shades.

The Frocks for Evening Wear

at 39.50

Of chiffon velvet, as one might expect, for chiffon velvet plays the stellar role in evening apparel. In the darker shades, one may wear them for afternoons as well, for many come with demure sleeves, and even sleeveless effects are correct for daytime occasions. Irregular hem lines and youthful bodices and delightful trimmings, and one has their complete story. Sizes 14 to 20 years.
